

## **ANNOUNCEMENT & CALL FOR PAPERS**

### **21th ANNUAL INTERNATIONAL CONFERENCE ON REAL OPTIONS**

*Boston, USA, June 28 – July 1, 2017*

*Organized by  
Real Options Group and Suffolk University*

*in cooperation with King's College London, Northwestern University and UCLA*

### **Extended submission deadline: February 16, 2017**

**AIM:** To bring together academics and practitioners at the forefront of real options and decision making under uncertainty to discuss recent developments and applications. The conference features academic and professional presentations of theoretical and applied work, workshops and case discussions, experiences from the field and panel discussions.

**TOPICS:** Any paper on the theory or application of real options. Possible topics include: R&D, entrepreneurship and innovation, new product development, capabilities, infrastructure and network (tel, power) investments, valuation of natural resources, commodities and power investments, growth options, competition and strategy, corporate valuation and IPOs, investments involving learning, agency issues and incentives, public infrastructure, environment and public policy, case studies etc. We expect to have sessions on telecoms, oil/energy, innovation, and various public policy issues. We are generally interested in applied or empirical papers, and case studies in these and various other industries.

Special emphasis this year in Boston on: **Innovation, Entrepreneurship and Venture Capital**
